User Experience Researcher

EXPERIENCE

UX Researcher - Kiewit

February 2021 - January 2022

Developed and executed research plans across multiple product teams - conducted discovery and validation research, synthesized insights, and communicated findings to impact design choices, improve usability, and enhance product functionality. Monitored data analytics tool, provided analytics consultations, and organized product insights into usable dashboards for teams and product owners.

Instructor - The JCC

January 2017 - March 2019

Planned school curriculum, organized and taught classes and rehearsals. Instructed ballet and modern classes; choreographed company pieces. Instituted advanced Horton and Graham Modern techniques into high school dance classes to enhance student competency in college auditions.

Assistant Director - EMPAC Dance

October 2016 - December 2017

Developed business strategy, school curriculum, and organized classes and rehearsals. Instructed ballet and modern classes; choreographed graduating performances.

EDUCATION

B.A. Psychology - The University of Nebraska at Omaha

(2016 - 2020)
